Dear Parents and Carers,

We are excited to be **re-launching Seesaw** as an important part of our home-school communication.

Seesaw is a fantastic platform that allows you to **see and celebrate your child's learning**, giving you a real window into their day at school. Through Seesaw, you can view photos, videos and pieces of work that your child is proud of, as well as messages from staff.

We know that families lead busy lives, but even a quick look at Seesaw can make a big difference. Children love sharing their achievements, and your encouragement—whether through a like or a simple comment— helps to **boost their confidence and motivation**.

Why Seesaw matters

- Helps you stay connected to your child's learning
- Allows you to celebrate successes together
- Supports conversations at home about school
- Strengthens the partnership between home and school
